FOIA/PA Officer
Department of Justice
Washington, D. C.

Sir:

I am the wife of Harold Weisberg of the same address.

Under FOIA and PA my husband has a long-standing request for all Departmental files of any source or nature on or relating to him.

We herewith amend this request, to which there has as yet been no response, to include records of the same description about or relating to me.

My husband countersigns his approval.

My Social Security number is 578-46-5184. My husband's is 577-36-7290.

My addresses and my husband's are the same beginning before World War II.

I was born near Great Falls, Maryland, on April 18, 1912.

I am shocked to learn that the department regarded me as subversive because I belonged to several consumer groups. Shades of pre-Ralph Nader!

I ask for all records of any and all distribution of all such libels about me. It is from one of these that I have learned the department has done this.

Yours truly,

Lillian Stone Weisberg
